--------	-------------------

MEDICAL ACTION PREMIER™ HAMPER STAND

Engineered for long lasting performance in a demanding environment. Lid is injection molded from ABS high resolution resin to withstand repeated openings and closings. Rubber lid bumpers are added for quiet closing. A bag holding locking ring carries a bag of at least 30" wide for this hamper. Four large free-turning casters with two locking brakes make this the hamper stand of choice. NOTE: When choosing a label for a hamper stand, substitute label number for the X in ordering a complete hamper and label system. Labels: Soiled Linen 100, Infectious Waste 200, Isolation Linen 300, Surgery Soiled Linen 500, Trash 600. Replacement parts are available for all hamper stands.

DETECTO WALL MOUNT HANGING WASTE RECEPTACLES

Perfect for hospitals, doctors' offices, patients' rooms, and laboratory settings. The H Series comes in two different sizes and your choice of stainless steel with white epoxy polyester finish. The receptacles have a self-closing lid for sanitation which also lifts off easily to remove the disposable bag. Not only does the stainless steel and epoxy polyester finish allow for quick, wipe-down cleaning, the Wall Mount Hanging models can be securely positioned just off the ground for easy sweeping and mopping underneath and keeping debris from collecting around the base. Mounting brackets com with all these models. To remove them from the wall, simply slide them up and out of their groove.

BEAUMONT CITRUS II GERMICIDAL DEODORIZING CLEANER

CITRUS II Germicidal Deodorizing Cleaner deodorizes, and disinfects surfaces, equipment, and non-critical instruments. A broad spectrum germicidal cleaner, effective as a bactericide, fungicide, and virucide, including Hepatitis B and C, HIV-1 (the Virus that causes AIDS) and Tuberculosis, with excellent residual biocide action. It's also effective against mold and mildew. An EPA-registered, non-alcohol formula contains no toxic chemicals such as phenols or glutaraldehydes, and is tested safe for a variety of surfaces including vinyl and naugahyde. It's non-acidic, non-corrosive, and non-staining. Citrus II is ready-to-use so there's no inconvenient mixing, dilution, or activation required as with concentrates. Refreshing citrus scent keeps the facility smelling clean and fresh.

ENERGIZER WATCH & ELECTRONIC BATTERY

ECR2016BP Battery 3.0V Watch, 1 blister card, 6 card/bx

**ENERGIZER INDUSTRIAL BATTERY - LITHIUM**

There's no need to recharge and every Lithium battery has a 15-year shelf life. That means Lithium is ready to provide longer-lasting power in an instant or a decade. Lithium packs all that power into batteries that are 33% lighter than ordinary AA and AAA alkaline batteries. Overpower the elements with the best batteries in extreme temperatures (from -40° to 140°F). It's not just a photo battery. Make any high-tech battery-powered device run longer with Lithium. Lithium batteries are also built to last longer with world-class, leak-resistant construction.
